### Exhibition on medical, healthcare, food and agriculture kicks off

Last update on: Thu May 8, 2025 08:11 PM

The CEMS Global USA has organised the three-day international event

The CEMS Global USA has organised a three-day international exhibition on medical, healthcare, food, and agriculture at the International Convention City Bashundhara, Dhaka.

There is no entrance fee for the expo that began today, according to a press release.

The organisers said the exhibitions serve as a one-stop platform for buyers and sellers in the relevant industries.

The exhibition is very important for Bangladesh and its healthcare industry, as it offers an industry-specific showcase of hospital, pharmaceutical and medical equipment, healthcare products, solutions, and services from leading companies across the globe, they added.

By facilitating the mutual exchange of knowledge and technology on a global scale, the event is expected to enhance Bangladesh's image in the international market while also contributing to the advancement of the country's healthcare, health tourism, food, and agriculture sectors, they added.

The exhibition will also feature six seminars focused on the respective industries.
