EVENT PROFILE

Bangladesh's Biggest and Oldest International Exhibition on Construction Materials, Method & Equipment

CEMS-Global USA, in association with CEMS Bangladesh, organized the “30th Build Bangladesh 2025 International Expo” from 13–15 November 2025.

The Construction industry, one of the fastest-growing industries in Bangladesh, has seen a high demand for infrastructure development due to the country's rapid population growth and urbanization. The sector has been a key driver of economic growth and development, contributing significantly to the country's GDP.

The 30th Build Bangladesh 2025 International Expo made a significant impact on the construction and building materials industry in Bangladesh. The exhibition served as a platform for companies to showcase their products and services, exchange ideas, and collaborate with other industry players. Additionally, the expo helped promote sustainable building practices and supported the country's economic development goals.

PRESS CONFERENCE

A press conference was held at the CEMS Bangladesh Corporate Office on October 20, 2025 for the **30th Build Series of Exhibitions** and Concurrent focusing on the latest Construction Materials, Method & Equipment.
