7 Reasons To Participate
in the 45th DyeChem Bangladesh
2024 International Expo

1. 45th Dye+Chem Bangladesh 2024 is a Comprehensive International Exhibition featuring Worldwide Dyestuffs & Fine & Specialty Chemical Manufacturers, focusing on the entire Textile & Apparel Industry of Bangladesh and also the other important Manufacturing Industries of the country.
2. Dye+Chem Bangladesh is the Oldest, Biggest & Only International Exhibition of Bangladesh serving the Textile & Apparel Industry of Bangladesh for the past 23 years.
3. Bangladesh has emerged as one of the major textile clothing products exporting nations. The demand for textile chemicals (dyes and auxiliaries) in the country has increased sharply in the recent years. In the fiscal year 2021-2022, Bangladesh exported Apparels worth US \$45 billion, making it the second-largest apparel exporter in the world.

4. The Dyestuff sector is one of the important segments of the chemical industry in Bangladesh, with a variety of sectors like textiles, leather, paper, plastics, printing inks and foodstuffs. The textile industry accounts for the largest consumption of dyestuffs at nearly 70%.
5. Bangladesh is fully dependent on foreign Dyestuff and Chemicals. Every year, compared to local production, 95% of the Dyestuff and Chemicals are imported in Bangladesh mainly from China, India, Thailand, Taiwan, South Korea, USA, Germany, Italy, Spain, Singapore, Switzerland, Turkey.
6. The Bangladesh Garment Manufacturers Exporters Association (BGMEA) revealed it is eyeing a 10% share of the global apparel market by 2025 and is aiming for an export target of US\$100bn by 2030, making Bangladesh a highly potential market for Dyestuff and Fine & Specialty Chemicals.
7. Participate in 45th DyeChem Bangladesh 2024 Int'l Expo. Meet and connect with potential buyers through the Expo.

EVENT PROFILE

The 2023 edition of the DyeChem Bangladesh marked a significant milestone in the Dyestuffs & Fine & Specialty Chemical Manufacturers industry, as it showcased Bangladesh's emergence as a key player on the Global Textile stage. This event attracted industry leaders, textile manufacturers, suppliers, visitors from Bangladesh and around the world, reaffirming Bangladesh's position as an emerging Global Textile Hub.

The show garnered international attention, with participants and exhibitors from leading textile-producing nations. Bangladesh's role as a growing textile hub was highlighted through diverse global participation and visitors from across South Asia and Europe, who used the event as a Triangle-Trade platform where they could connect with Dyestuffs & Fine & Specialty Chemical Manufacturers as well as Garment factories in Bangladesh. This cross-continental participation showcased the Dhaka International Yarn & Fabric Show's Global appeal and the significance of the textile industry as a unifying force.

This was the first time the Dye+Chem exhibition saw this new business dynamics and served as a platform for an extensive international visitor audience, creating a diverse and dynamic environment for facilitating triangle-trade, business development, networking and collaboration thus forging new regional collaboration and partnerships.

The Dye+Chem Series of Exhibition, is a part of the Textile Series of Exhibitions held in Bangladesh, Brazil, Morocco, Sri Lanka & Thailand.

After the successful 42nd edition of DyeChem Bangladesh 2024, CEMS-Global is pleased to present once again its 2024 edition in Bangladesh as 45th DyeChem Bangladesh 2024.

The previous edition of the Dye+Chem Bangladesh held in 2023 transcended geographical boundaries by attracting visitors from South Asia and Europe, creating a vibrant and interconnected textile community. Whether attendees sought business opportunities, fashion insights, or technological innovations, this event delivered a comprehensive and Global experience.

As the textile industry continues to evolve, for over 2 decades, the Dye+Chem Bangladesh has exemplified its position as a catalyst for international collaboration and industry growth. This event has provided a unique platform for the Global Textile Industry for networking, discovering, collaborations and business development and highlighted the immense potential of Bangladesh's textile and apparel industry on a global scale.

This annual event is a significant platform for the Global textile and apparel industry as well as Bangladesh, which is one of the largest textile and garment exporters in the world exporting apparels worth over US\$ 45 Billion to 120 countries of the world.

Once again, the 45th Dye+Chem Bangladesh 2024 will provide a platform for manufacturers, suppliers, and service providers to display their latest exhibits, advancements in textile technology, materials and innovations which would be extremely beneficial to boost exports of the textile and garment sector of Bangladesh.

The DyeChem Bangladesh expo has underscored Bangladesh's ascent as a global textile hub, driven by its dedication to innovation, sustainability, and quality. Whether you were a Dyestuffs & Fine & Specialty Chemical Manufacturer professional or an advocate for sustainable textile practices, this event will provide invaluable insights and networking opportunities.

In an era where sustainability and innovation are paramount in the textile industry, this show highlights Bangladesh's pivotal role in the Global textile landscape. As Bangladesh continues to shape the future of textiles, the 45th DyeChem Bangladesh 2024 will exemplify its commitment to excellence, making it a must-attend event for those looking to be a part of this transformative journey. Be prepared for the next edition, where the world of textiles and fashion will once again converge in Dhaka, driving innovation and collaboration in the Global Textile and Apparel sector.
