EVENT PROFILE

In its journey towards a middle-income country, there is a growing demand for energy-efficient and hybrid vehicles in Bangladesh. With the splashing success of the previous six editions, the “**7th Dhaka Commercial Automotive Show 2025**” has been announced as the grand opportunity for this industry to showcase new generation commercial vehicles.

The show stands firmly as one of the flagships and mega-events of **CEMS-Global** in Bangladesh and has become an iconic event of the Commercial Automotive Exhibition in Bangladesh.

The previous editions have witnessed great successes and a record rise in sales of new commercial vehicles in the country to meet the growing demand for mass transportation, heavy machinery mobilization, cargo shipping and other commercial vehicles. ‘CEMS-Global USA’ in association with ‘CEMS Bangladesh’ presents the “**7th Dhaka Commercial Automotive Show 2025**”, scheduled to be held from **1 ~ 3 May 2025**, which will be a focused showcase for Commercial Vehicle Manufacturers and Components.

WHY BANGLADESH? FACTS & FIGURES

According to Bangladesh Road Transport Authority for almost a decade the market for commercial vehicles has grown at a rate of **14% to 20% each year** until 2020. Now it is expected to be even more. Bangladesh is a potential market for commercial vehicles as the nation is currently involved in many Mega Infrastructure Projects. **The Padma Bridge** - which was a 30,193 crore BDT project - is predicted to create demand for thousands of commercial vehicles worth at least **\$500 million** for at least the next five years. The Buses segment in Bangladesh is projected to grow by 4.07% (2023-2027) resulting in a **market volume of US\$29.32m in 2027**. Thus with the rising demand Bangladesh is one of the best places to invest in and reap benefits while new players still have a chance to enter the market.
