EVENT PROFILE

In its journey towards a middle-income country, there is a growing demand for energy-efficient and hybrid vehicles in Bangladesh. With the splashing success of the previous eight editions, the **“8th Dhaka Commercial Automotive Show 2026”** has been announced as the grand opportunity for this industry to showcase new generation commercial vehicles.

The show stands firmly as one of the flagships and mega-events of **CEMS-Global** in Bangladesh and has become an iconic event of the Commercial Automotive Exhibition in Bangladesh.

The previous editions have witnessed great successes and a record rise in sales of new commercial vehicles in the country to meet the growing demand for mass transportation, heavy machinery mobilization, cargo shipping and other commercial vehicles. 'CEMS-Global USA' in association with 'CEMS Bangladesh' presents the **“8th Dhaka Commercial Automotive Show 2026”**, scheduled to be held from **23 ~ 25 April 2026**, which will be a focused showcase for Commercial Vehicle Manufacturers and Components.

WHY BANGLADESH? FACTS & FIGURES

According to the Bangladesh Road Transport Authority, for almost a decade, the market for commercial vehicles grew at a rate of 14% to 20% each year until 2020. Now, it is expected to grow even more. Bangladesh remains a potential market for commercial vehicles as the nation is currently involved in numerous Mega Infrastructure Projects. The Padma Bridge – which was a 30,193 crore BDT project is predicted to continue creating demand for thousands of commercial vehicles worth at least **\$600 million** for at least the next **five to seven years**. The Buses segment in Bangladesh is projected to grow by **3.9% (2025–2030)**, resulting in a market volume of **US\$34.5 million by 2030**. Thus, with rising demand, Bangladesh is one of the best places to invest in and reap benefits while new players still have a chance to enter the market.
