EVENT IDENTITY & BRANDING

Brand Name	: 20th Auto Series of Exhibitions 2027
Concurrent Exhibitions	: 20th Dhaka Motor Show 2027 11th Dhaka Bike Show 2027 10th Dhaka Auto Parts Show 2027 9th Dhaka Commercial Automotive Show 2027 4th Electric Vehicle Bangladesh Expo 2027
Date of Event	: 22 – 24 April 2027
Organized By	: CEMS-Global USA and CEMS Bangladesh
Frequency	: Annual
Website	: www.dhakaautoseries.com

EVENT IDENTITY & BRANDING

Sectors Focused : Luxury and Premium Passenger Cars, SUVs, EV & HEVs, Commercial Vehicles, Pickup Trucks, Fleet Solutions & Utility Vehicles, Motorcycles, Scooters, Electric Bikes & High-Performance 2-Wheelers, Auto & Bike Parts and Components (OEM & Aftermarket), Engine Systems, Transmission, Drivetrain & Performance Technologies, Suspension, Brake Systems & Engineering Solutions, Tires, Tubes, Batteries, Lubricants & performance Parts, Automotive & Motorcycle Electronics, Connected & Smart Mobility Technologies, Infotainment Systems & Digital Connectivity Solutions, Vehicle & Rider Safety, Security & Advanced Driver Assistance Systems (ADAS), Car & Bike Accessories, Customization, Alloy Wheels & Premium Styling Solutions, Auto & Bike Care, Detailing, Care & Bike Wash & Maintenance Solutions, Garage Equipment, Workshop Tools & Diagnostic Systems, Manufacturing, Assembly, Automation & Testing Technologies, Fleet Management, Telematics & Smart Mobility Platforms, Auto & Bike Finance, Leasing, Insurance.

EXECUTIVE SUMMARY

The PREMIER International Automotive Exhibition – Connecting Vehicles, Technology & Innovation across a High-Growth Market, proudly standing as the Largest in Bangladesh

Being held successfully for **nearly two decades**, the Auto Series of Exhibitions has firmly established itself as one of the flagship events of CEMS-Global in Bangladesh and continues to stand as the **One & Only International Automotive Exhibition** of the country. Building on this strong legacy, **CEMS-Global now presents the Dhaka Auto Series of Exhibitions 2027** – a comprehensive, multi-platform showcase covering the entire automotive and mobility ecosystems of Bangladesh.

The **Auto Series** brings together **5 concurrent exhibitions** : **Dhaka Motor Show, Dhaka Bike Show, Dhaka Auto Parts Show, Dhaka Commercial Automotive Show, Electric Vehicle Bangladesh Expo** – creating the country's most complete and integrated platform for the automotive industry.

Reflecting the rapid growth of Bangladesh's economy and the expanding middle and upper-middle-income population, demand for vehicles continues to rise significantly. The exhibitions will highlight innovations across **passenger vehicles, motorcycles, commercial transport, electric mobility, and after market solutions**, positioning Bangladesh as a high-potential automotive market in South Asia.

Organized by **CEMS-Global USA** in association with **CEMS Bangladesh**, the Auto series will serve as a dynamic business and networking hub, bringing together **global manufacturers, distributors, technology providers, component suppliers, and key industry stakeholders** under one roof.

The exhibitions will offer a powerful platform for **product launches, brand positioning, B2B & B2C networking, and strategic partnerships**, while **showcasing cutting-edge technologies and sustainable mobility solutions**.

EXECUTIVE SUMMARY

The One and Only Complete Show for the Brand New Automobile Sector of Bangladesh

For more than 33 years, CEMS-Global USA has been delivering world-class trade exhibitions across 4 continents—setting industry benchmarks in connecting businesses, industries, and global markets. Its acclaimed portfolio of sector-focused events has consistently brought together **international manufacturers, innovators, policymakers, and industry leaders, driving collaboration, innovation, and growth** across emerging economies.

Building on this strong legacy, CEMS-Global proudly presents the **20th Dhaka Motor Show 2027**—a landmark edition that will showcase the dynamism and rising potential of Bangladesh’s rapidly evolving automotive industry. Recognized as Bangladesh’s **premier international automotive exhibition**, the show will offer a comprehensive platform covering the full spectrum of **mobility innovation, trade, and industry collaboration**. Organized by **CEMS-Global USA in association with CEMS Bangladesh**, the event will unite **global automotive brands, local manufacturers, distributors, policymakers, and emerging technology providers** under one roof.

Set in Dhaka, the exhibition will spotlight the transformation of Bangladesh’s automotive sector—driven by growing consumer demand, infrastructure expansion, and an accelerating shift toward sustainable mobility solutions. This milestone **20th edition** reflects the show’s long-standing role in fostering **industry growth, business networking, and knowledge exchange**.

With a rapidly expanding middle class, increasing urbanization, and ongoing infrastructure investments, Bangladesh represents a high-growth automotive market. The **20th Dhaka Motor Show 2027** will serve as a strategic gateway for international stakeholders to access this opportunity, while also supporting the government’s vision of **environmentally sustainable transport** and a **modern mobility ecosystem**.

Marking **two decades of excellence**, this edition goes beyond a traditional exhibition. It is a celebration of progress—and a **forward-looking platform shaping what comes next**. By fostering innovation, connectivity, and sustainability, the **Dhaka Motor Show** will continue to play a pivotal role in **defining the future of mobility in Bangladesh and the region**.

EXECUTIVE SUMMARY

The One and Only International Automotive Two-Wheeler Exhibition of Bangladesh

With a **legacy of over 33 years** of excellence in global trade exhibitions, CEMS-Global USA continues to connect industries and markets **across 4 continents**, fostering innovation, collaboration, and business growth. Building on this strong foundation, CEMS-Global proudly presents the **11th Dhaka Bike Show 2027**—Bangladesh’s leading international exhibition dedicated exclusively to the two-wheeler industry.

Recognized as the premier platform for **motorcycles, scooters, and related technologies** in Bangladesh, the **Dhaka Bike Show** has consistently played a critical role in shaping the country’s rapidly expanding two-wheeler market. Organized by **CEMS-Global USA in association with CEMS Bangladesh**, the **11th edition** will bring together **global motorcycle brands, local distributors, manufacturers, accessory suppliers, and technology innovators** under one roof.

The event will highlight the fast-paced evolution of Bangladesh’s two-wheeler sector—driven by **urban mobility needs, affordability, a growing young population, and increasing demand** for fuel-efficient and eco-friendly transportation solutions. As the market continues to expand, motorcycles have become a primary mode of transport, positioning the Bike Show as a vital **B2B and B2C marketplace** for industry stakeholders.

Bangladesh stands as one of **South Asia’s most promising two-wheeler markets**, supported by rising incomes, expanding urban infrastructure, and favorable policy developments. The **11th Dhaka Bike Show 2027** will serve as a strategic gateway for international brands to enter or expand within this high-growth market, while enabling local businesses to strengthen partnerships and distribution networks.

The **11th Dhaka Bike Show 2027** is more than an exhibition—it is a dynamic platform driving the future of two-wheeler mobility in Bangladesh. By bringing together innovation, business, and consumer engagement, the show will continue to play a pivotal role in accelerating **industry growth, sustainable transportation, and market connectivity** in the years ahead.

EXECUTIVE SUMMARY

The BIGGEST 3 DAYS International Exhibition for Auto Component & Accessories Industry

Leveraging **over 33 years** of global exhibition excellence, CEMS-Global USA continues to connect industries, businesses, and markets across **4 continents**—driving innovation, trade, and economic growth in emerging economies. Building on this strong legacy, **CEMS-Global proudly presents the 10th Dhaka Auto Parts Show 2027**, a milestone edition dedicated to Bangladesh's rapidly expanding automotive aftermarket and component industry.

Recognized as Bangladesh's premier international exhibition for auto parts, components, and accessories, the Dhaka Auto Parts Show has established itself as a vital platform for manufacturers, suppliers, distributors, and service providers. Organized by **CEMS-Global USA in association with CEMS Bangladesh**, the **10th edition** will bring together **global brands, local manufacturers, OEM suppliers, aftermarket solution providers, and industry stakeholders** under one roof.

The exhibition will highlight the growing importance of Bangladesh's auto components sector, driven by an expanding vehicle population, increased demand for maintenance and repair services, and a rising focus on quality parts and technological advancements. As the automotive ecosystem evolves, the show will serve as a **comprehensive marketplace** for **sourcing, networking, and business development**.

Bangladesh's automotive aftermarket sector is experiencing sustained growth, supported by urbanization, infrastructure development, and increased vehicle ownership. The **10th Dhaka Auto Parts Show 2027** will act as a **strategic gateway** for **international companies** seeking entry into this high-potential market, while enabling local businesses to strengthen supply chains, partnerships, and distribution networks.

Marking **a decade of success**, the **10th Dhaka Auto Parts Show 2027** is more than an exhibition—it is a key driver of growth for Bangladesh's automotive support industry. By fostering **innovation, connectivity, and commercial exchange**, the event will continue to play a pivotal role in shaping the future of the country's **automotive aftermarket landscape** and supporting the **broader mobility ecosystem**.

EXECUTIVE SUMMARY

The BIGGEST 3 DAYS International Exhibition for Commercial & Heavy-Duty Vehicles

With over **33 years of global exhibition excellence**, CEMS-Global USA continues to set industry benchmarks by connecting businesses, fostering innovation, and facilitating trade across emerging markets. Building on this legacy, **CEMS-Global proudly presents the 9th Dhaka Commercial Automotive Show 2027**—a focused platform dedicated to Bangladesh’s fast-growing commercial vehicle and transport solutions sector.

Recognized as Bangladesh’s **premier international exhibition** for **commercial vehicles** and **logistics solutions**, the show will bring together global manufacturers, local distributors, fleet operators, logistics companies, policymakers, and technology providers under one roof. Organized by **CEMS-Global USA in association with CEMS Bangladesh**, the event will serve as a dynamic hub for business networking, product showcasing, and industry dialogue.

The exhibition will highlight the critical role of commercial vehicles in Bangladesh’s economic growth, driven by **rapid industrialization, infrastructure development, urban expansion, and increasing demand for efficient transport and logistics systems**. From trucks and buses to specialized vehicles and fleet management technologies, the show will cover the **full spectrum of commercial mobility solutions**.

As Bangladesh continues to invest heavily in infrastructure, trade, and industrial expansion, the demand for reliable and efficient commercial transportation is rising significantly. The **9th Dhaka Commercial Automotive Show 2027** will serve as a strategic gateway for international companies to enter or expand within this high-growth market, while enabling local stakeholders to strengthen partnerships and modernize their operations.

The **9th Dhaka Commercial Automotive Show 2027** is more than an exhibition—it is a vital platform shaping the future of Bangladesh’s transport and logistics ecosystem. By driving **innovation, connectivity, and industrial growth**, the event will continue to play a pivotal role in supporting the country’s economic development and advancing its commercial mobility landscape.

EXECUTIVE SUMMARY

The Complete Showcase of the New Era in Electric Vehicles for Bangladesh

With over **33 years of global expertise in organizing world-class trade exhibitions**, CEMS-Global USA continues to drive industry advancement by connecting international markets, innovators, and stakeholders. Building on this strong foundation, **CEMS-Global proudly presents the 4th Electric Vehicle Bangladesh Expo 2027**—a dedicated platform accelerating the transition toward sustainable mobility in Bangladesh.

Positioned as Bangladesh's leading international exhibition for electric mobility, the Expo will bring together **global EV manufacturers, local assemblers, technology providers, charging infrastructure companies, policymakers, and sustainability advocates** under one roof. Organized by **CEMS-Global USA in association with CEMS Bangladesh**, the event will serve as a catalyst for **innovation, investment, and collaboration** in the country's emerging **electric vehicle ecosystem**.

As Bangladesh actively moves toward **reducing carbon emissions** and promoting **green transportation**, the Expo will spotlight the rapid **evolution of electric mobility**—driven by policy support, rising environmental awareness, and the need for energy-efficient transport solutions. The event will showcase the full spectrum of **EV innovations**, from electric cars, two- and three-wheelers, and commercial EVs to battery technologies and smart charging infrastructure.

With **increasing urbanization** and **growing environmental concerns**, Bangladesh presents a high-potential market for **electric mobility adoption**. The **4th Electric Vehicle Bangladesh Expo 2027** will serve as a strategic gateway for international investors and technology providers to enter this emerging sector, while supporting national goals for cleaner, more **sustainable transportation systems**.

The **4th Electric Vehicle Bangladesh Expo 2027** is more than an exhibition—it is a forward-looking platform shaping the future of mobility in Bangladesh. By promoting innovation, sustainability, and industry collaboration, the Expo will play a critical role in driving the country's **transition toward a cleaner, smarter, and more efficient transportation ecosystem**.

7 Reasons to Participate

in the 20th Auto Series of Exhibitions 2027

1. A Landmark 20th Edition with Proven Impact

Be part of a historic milestone as the Auto Series—Bangladesh’s longest-running and largest automotive exhibition—celebrates its 20th edition. Backed by two decades of success, the show offers unmatched credibility, industry trust, and market influence, making it the definitive platform for automotive business in Bangladesh.

2. Strategic Market Entry & Expansion Opportunities

Unlock immediate access to one of South Asia’s fastest-growing automotive markets. Connect directly with verified distributors, dealers, policymakers, and business partners, enabling faster market entry, reduced acquisition costs, and quicker deal closures compared to traditional market development strategies.

3. Tap into a Rapidly Expanding Automotive Market

Bangladesh’s automotive sector continues strong growth into 2027, driven by economic expansion, infrastructure megaprojects, and rising demand across passenger, commercial, and two-wheeler segments. Early movers gain a clear competitive advantage in capturing this growing market share.

4. Expanding Middle-Class Consumer Base

Bangladesh’s middle class continues to expand rapidly—now estimated at 30+ million consumers and growing steadily, driven by economic progress and urbanization. This rising consumer segment is fuelling strong demand for branded, safe, and diverse food products, positioning Bangladesh as a powerful and dynamic consumption market for both local and international players.

7 Reasons to Participate in the 20th Auto Series of Exhibitions 2027

5. Capitalize on the Commercial & Logistics Boom

Industrialization, e-commerce growth, and infrastructure development are driving unprecedented demand for commercial vehicles, fleet solutions, and logistics technologies. Meet bulk buyers, fleet operators, and corporate decision-makers ready to invest and scale.

6. Lead the Future with Electric & Sustainable Mobility

Bangladesh is entering a critical transition phase toward electric vehicles (EVs), hybrid systems, and green mobility solutions. With increasing government focus and infrastructure investment, the show offers a strategic platform to establish early leadership in this fast-emerging segment.

7. Proven B2B & B2C Business Platforms

The Auto Series of Exhibitions attracts thousands of trade visitors, industry buyers, and consumers, offering unparalleled opportunities for lead generation, brand visibility, partnership development, and direct sales engagement – all under one roof.

“The 20th Auto Series of Exhibitions 2027 is not just a showcase – it is a high-impact commercial platform delivering tangible ROI through Market Access, Partnership Building, Lead-Generation, and Brand-acceleration in one of Asia’s most promising automotive markets”

PROFILE OF EXHIBITS

❑ Passenger Vehicle Manufacturers

- Economy, Mid-range, and Luxury Car Brands
- SUVs, Sedans, Hatchbacks, Crossovers
- Hybrid and Electric Car Manufacturers

❑ Commercial & Utility Vehicles

- Vans, Pickups, and Light Trucks
- Specialized Vehicles (Ambulance, Utility)
- Fleet-oriented Vehicles

❑ Auto Components & Parts

- OEM and Aftermarket Parts Supplies
- Engine, Drivetrain, Braking Systems
- Electrical and Electronic Components

❑ Accessories & Car Care

- Interior / Exterior Accessories
- Infotainment and Electronics
- Detailing and Car Care Brands

❑ Tires, Batteries & Lubricants

- Tire Manufacturers and Distributors
- Automotive Batteries and EV Batteries
- Engine Oils and Fluids

❑ Automotive Services & Solutions

- Dealerships and Importers
- Financial and Insurance Providers
- Smart Mobility and Connected Tech

PROFILE OF EXHIBITS

❑ Motorcycle Manufacturers

- Commuter, Sports, Cruiser Bikes
- Premium and Performance Brands
- Local Assembly Brands

❑ Electric Two-Wheelers

- Electric Bikes and Scooters
- Battery and Charging Solutions
- Urban Mobility Startups

❑ Bike Parts & Components

- Engine, Braking, and Suspension Parts
- Electrical Components and Accessories
- Aftermarket Spare Parts

❑ Riding Gear & Safety

- Helmets and Smart Helmets
- Jackets, Gloves, Protective Gear
- Safety Technology Providers

❑ Accessories & Customization

- Styling and Tuning Products
- Touring Accessories and Luggage
- Audio, Lighting, and Smart Gadgets

❑ Services & Mobility Ecosystem

- Dealerships and Distributors
- Bike Financing and Insurance
- Delivery, Ride-sharing, and Fleet Operators

PROFILE OF EXHIBITS

☐ OEM Parts Manufacturers

- Engine and Mechanical Components
- Transmission and Drivetrain Systems
- Suspension and Braking Systems

☐ Aftermarket Parts Suppliers

- Replacement and Performance Parts
- Multi-brand Spare Parts
- Remanufactured Components

☐ Electrical & Electronics

- Wiring, Sensors, ECUs
- Lighting Systems and Infotainment
- Smart and Connected Components

☐ EV Components

- Batteries and BMS
- Motors and Controllers
- Charging Connectors and Systems

☐ Tools & Garage Equipment

- Diagnostic and Repair Tools
- Workshop Machinery and Lifts
- Garage Automation Solutions

☐ Trade, Distribution & Tech

- Importers, Exporters, Distributors
- B2B Marketplaces and E-commerce
- Logistics and Supply Chain Solutions

PROFILE OF EXHIBITS

❑ Commercial Vehicle Manufacturers

- Trucks, Buses, and Coaches
- Light and Heavy-duty Vehicles
- Electric and Alternative Fuel Vehicles

❑ Fleet & Logistics Operators

- Transport and Freight Companies
- Last-mile Delivery Providers
- Corporate Fleet Operators

❑ Body Builders & Trailers

- Truck Body Fabricators
- Trailer and Semi-trailer Manufacturers
- Specialized Vehicle Builders

❑ Parts & Heavy-Duty Components

- Engine and Mechanical Systems
- Tires, Batteries, Lubricants
- Aftermarket Spare Parts

❑ Fleet Tech & Solutions

- GPS Tracking and Telematics
- Fleet Management Software
- IoT and AI-based monitoring Systems

❑ Support Services & Infrastructure

- Leasing, Insurance, Financing
- Workshop and Maintenance solutions
- Fuel, LNG, CNG, & EV Charging Providers

PROFILE OF EXHIBITS

❑ Electric Vehicle Manufacturers

- Electric Cars, Buses, Trucks
- E-bikes, Scooters, Three-wheelers
- Micro-mobility Solutions

❑ Battery & Energy Storage

- Lithium-ion Battery Manufacturers
- Battery Swapping Technologies
- Energy Storage Systems

❑ Charging Infrastructure

- Public And Private Charging Stations
- Fast and Smart Charging Solutions
- Charging Network Operators

❑ EV & HEV Components & Technology

- Electric Motors and Controllers
- Power Electronics and Inverters
- Thermal and Energy Management Systems

❑ Smart Mobility & Digital Platforms

- GPS Tracking and Telematics
- Fleet Management Software
- IoT and AI-based monitoring Systems

❑ Sustainability & Ecosystem

- Renewable Energy (Solar charging)
- Recycling and Circular Economy Solutions
- Government Bodies, Financing & R&D

PROFILE OF VISITORS

❑ Individual Buyers & Enthusiasts

- Private Car and Bike Buyers
- First-time Vehicle Purchasers
- Auto and Bike Enthusiasts
- Lifestyle and Premium Segment Consumers

❑ Dealers, Distributors & Importers

- Vehicle Dealers and Showroom Owners
- Auto Parts Distributors and wholesalers
- Importers of Vehicles and Spare Parts
- Regional and National Distribution Networks

❑ Technology & Digital Solution Providers

- Mobility Tech Companies
- Software Developers and Startups
- IoT, AI, and Telematics Providers
- E-commerce and digital Marketplace Operators

❑ Workshops, Garages & Services Providers

- Workshop Owners and Technicians
- Service and Maintenance Providers
- Auto Repair Chains and Service Centers
- Spare Parts Retailers

❑ Fleet Owners & Logistics Companies

- Transport and Logistics Operators
- Corporate Fleet Managers
- Delivery and Ride-sharing Companies
- Commercial Vehicle Buyers

❑ Electric Mobility & Energy Stakeholders

- EV Buyers and Early Adopters
- Charging Infrastructure Developers
- Battery and Energy Solution Providers
- Renewable energy Companies

PROFILE OF VISITORS

❑ Manufacturers, Suppliers & Industry Professionals

- OEM and Aftermarket Suppliers
- Component Manufacturers
- Engineers and Technical Specialists
- Procurement and Sourcing Professionals

❑ Construction, Infrastructure & Industrial Buyers

- Construction Companies
- Infrastructure Developers
- Industrial and Heavy Equipment Users
- Warehousing and Logistics Infrastructure Firms

❑ Media, Press & Influencers

- Automotive Journalists and Publications
- TV, Digital, and Print Media
- YouTubers, Bloggers, and Content Creators
- Industry Analysts

❑ Government & Regulatory Authorities

- Transport and Road Authorities
- Policy Makers and Regulators
- Urban Planning and Smart City Officials
- Trade and Investment Agencies

❑ Financial Institutions & Investors

- Banks and Leasing Companies
- Insurance Providers
- Venture Capital and Private Investors
- Green Finance and Sustainability Funds

❑ Academic, Training & Research Institutions

- Engineering Students and Faculty
- Technical Training Institutes
- Automotive Research Organizations
- Innovation and Startup Incubators

Why Bangladesh - Facts & Figures

- ❑ Bangladesh provides unmatched advantages as high-growth, **underpenetrated automotive market**, offering opportunities to engage both consumer and B2B buyers, showcase innovation in a **rapidly evolving mobility landscape**, build strategic partnerships across distribution, logistics, and manufacturing, and capitalize on **cross-sector growth** driven by e-commerce, food delivery, and logistics expansion. At this pivotal stage in its automotive evolution, the country combines **low vehicle penetration with high growth rates, a rapidly expanding middle class, and increasing demand across all segments**, positioning Bangladesh as a uniquely attractive and high-potential market for global automotive industry players.
- ❑ Bangladesh is rapidly emerging as one of South Asia's most promising automotive markets, making it a highly strategic host for the Auto Series of Exhibitions 2027. Supported by strong economic growth, rising consumer demand, and a rapidly evolving mobility ecosystem, the country offers a dynamic platform for global automotive stakeholders to engage and expand. With over **1.08 million registered** passenger and commercial **vehicles** and an extremely low penetration rate of just **6 vehicles per 1,000 people**, Bangladesh presents immense untapped potential compared to regional benchmarks. The market is expanding steadily, adding approximately **500,000 new vehicles annually**, driven by increasing affordability and a **growing middle class** expected to exceed **30–34 million consumers**.
- ❑ Key segments such as **SUVs** and **hybrid vehicles** are witnessing **double-digit growth**, reflecting a shift toward higher-value, technology-driven mobility solutions. Rapid expansion in logistics, e-commerce, and food delivery sectors is fueling strong demand for commercial vehicles and two-wheelers, **reinforcing the need for an integrated industry platform**. Complementing this growth, the government's focus on electric mobility, policy incentives, and infrastructure development is **accelerating the transition** toward sustainable transport, **positioning the EV segment for high-growth adoption**.
- ❑ Strategically located in **South Asia** with a **large population** and **expanding urban infrastructure**, Bangladesh is well-positioned to become a **regional hub** for automotive trade, distribution, and manufacturing. With its **combination of low penetration, high growth momentum**, and evolving consumer demand, Bangladesh represents a uniquely attractive opportunity—making it an ideal and future-focused host for the Auto Series of Exhibitions 2027.

ABOUT CEMS-GLOBAL (ORGANIZER)

CEMS-Global USA is committed to organizing Professional B2B Trade Shows for important Business sectors of the trade and economy. CEMS-Global also assists Trade Associations, Governments, and businesses as an International Trade & Export Development Agency in international markets, including market research, export strategy development, partner identification, and trade promotion.

CEMS-Global has over three decades of experience in producing trade shows and conferences across multiple industries. Based in the United States, CEMS-Global operates worldwide, with a strong presence in North America, Asia, Africa, and Latin America. CEMS-Global also provides Strategic Consultancy that specializes in Business & Export expansion, Branding, Fostering industry collaboration, and creating opportunities to reach and expand business or exports in both established and emerging markets. With a reputation for professionalism and Global reach, CEMS-Global delivers high-quality, impactful events and Consultancy results that drive business growth and industry innovation.

Through its B2B exhibitions, CEMS Global creates opportunities for businesses to explore new markets, forge partnerships, and stay updated on industry trends and innovations. With its extensive experience and network, CEMS Global plays a vital role in driving economic growth and development in the regions where it operates.

In this span of over 3 decades, CEMS-Global has partnered with several Business Associations, Chamber of Commerce, Export Promotion Councils, International Trade Promotion organizations, and Governments. Our successful 40 Trade shows per annum in highly potential and developing countries of the world across four continents have benefited hundreds of thousands of Manufacturers, several Industry sectors and boosted International Trade & Development in many countries.
