7 Reasons to Participate in the 9th Dhaka Auto Parts Show 2026

1. The automotive component market in Bangladesh has more than doubled in a space of a decade driven by rising car users in recent years, said industry people
2. The demand for car parts continues to rise as car dealerships in Bangladesh imported 15,340 vehicles through Mongla Port in the fiscal year 2023–24—the highest since the seaport began handling imports. This marks an increase of 1,764 vehicles compared to the previous fiscal year, according to the Mongla Port Authority (MPA).
3. Dhaka AutoParts Show is the Oldest & Biggest of its kind serving the AutoParts Industry of Bangladesh for almost a decade now and it has surely become an Int'l Expo to be recognized
4. The market of AutoParts will further expand & diversify as the government has recently granted permission to manufacturers to produce bikes up to 500cc engine capacity
5. The demand for Motorcycle parts is also rapidly increasing as Motorcycle sales year-on-year have increased nearly 35–40 per cent to about 4.5 lakh in recent year so far
6. More than 5,000 Bangladeshi traders currently dominate UAE's auto parts and auto service industry, who are planning to invest in at least 50 auto parts factories in Bangladesh Expo

7. Participate in the 9th Dhaka Auto Parts Show 2026. Meet and connect with the top car manufacturers through the Expo

EVENT PROFILE

Being held for nearly a decade now, the “Dhaka Auto Parts Show” stands firmly as one of the flagship events of CEMS-Global in Bangladesh and has become an icon of the country as the Most Premier International Motor Parts Exhibition of Bangladesh. With the country growing a strong Middle-class segment, the rise in sales of Motor vehicles has surged to newer heights in Bangladesh, ignoring the rise in import taxes. Bangladesh is one of a strong South-Asian Nation with its growing economy and the ‘Dhaka Auto Parts Show’ has been a platform in all these years for the launching of the latest Models of auto parts and relevant technologies. The previous editions have seen great successes and an enormous rise in sales with CEMS-Global changing its strategy in highlighting and emphasizing auto parts distributors showcasing the latest components and technologies. ‘CEMS-Global USA’ in association with ‘CEMS Bangladesh’ presents the “9th Dhaka Auto Parts Show 2026”, scheduled to be held from 23 ~ 25 April 2026, which will be a focused showcase of the World auto-component industry along with car parts and accessories. The “9th Dhaka Auto Parts Show 2026” will provide manufacturers and distributors direct access to the South East Asian Market. The global motor vehicle aftermarket is estimated at approximately \$395 billion. The “9th Dhaka Auto Parts Show 2026” will reveal to the country the rapid developments in the Industry and will be a launching pad for many new vehicle accessories as well as new technology components.

WHY BANGLADESH? FACTS & FIGURES

The automotive component market in Bangladesh has more than doubled in a space of a decade driven by rising car users in recent years, said industry people. The market of Auto Parts will further expand & diversify as the government has recently granted permission to manufacturers to produce bikes up to 500cc engine capacity. The demand for Car parts is also rising as car dealerships in Bangladesh imported more than 20,009 vehicles through the Mongla Port in fiscal year 2021-22 –the highest since the seaport in the southwest coastal region started handling imports – stated Mongla Port Authority (MPA)
