7 Reasons to Participate in the 9th Dhaka Bike Show 2025

1. Dhaka Bike Show is the Oldest & Biggest of its kind serving the Motorcycle Industry of Bangladesh for nearly a decade now and it is surely becoming even more relevant
2. Due to the economic expansion, there was a large need for personal mobility. The two-wheeler sector, which followed a road previously taken by numerous other South Asian nations, represented the most effective option
3. From 2024 to 2028, the motorcycle market in Bangladesh is expected to increase at an annual pace of 0.64%, reaching a market volume of US\$1.98 billion by that time. And the unit sales of Motorcycles market are expected to reach 647.40k motorcycles by 2028
4. The government has recently granted permission to manufacturers to produce bikes up to 500cc engine capacity, a move that will surely boost the motorcycle industry in Bangladesh
5. Motorcycle sales year-on-year have increased nearly 35–40 per cent to about 4.5 lakh in recent year so far, and the conditions are buoyant like never before
6. Now, nine firms with assembly factories in Bangladesh that includes Japanese Brands, Indian Brands, and also Bangladeshi Brands have made the country almost self-sufficient in motorcycle manufacturing & assembly further making this the fastest growing sector
7. Participate in 9th Dhaka Bike Show 2025. Meet and connect with potential buyers through the Expo

EVENT PROFILE

For multiple years CEMS-Global's 'Dhaka Bike Show' has been exhibiting eclectic kinds of brand new quality products successfully making this exhibition one of the renowned events of **CEMS-Global** in Bangladesh. Bringing markets from different parts of the world together in style has made the Dhaka Bike Show into one of the icons of the country as the biggest International 2-wheeler Exhibition of Bangladesh. To focus on this important and fast-growing 2-wheeler sector of Bangladesh, **CEMS-Global USA** in association with **CEMS Bangladesh** are delighted to present the '**9th Dhaka Bike Show 2025**' scheduled to be held from **1 ~ 3 May 2025**, which will be a focused showcase of the World automobile, 2-wheeler and component industry.

Bangladesh is a nation that has been experiencing rapid increases in the number of bike owners, mostly due to the immense popularity of ride-sharing apps. It is estimated that in the last eight years the number of citizens owning bikes in Dhaka has doubled. Currently, there are almost five Lakh bike owners just in Dhaka alone. This is why Bangladesh is undoubtedly an extremely lucrative market for 2-wheelers. The neat layout of the show provides many opportunities to the consumers of vehicles to see the latest offerings in the market as well as to the business visitor to carry out networking in a highly enabled environment.

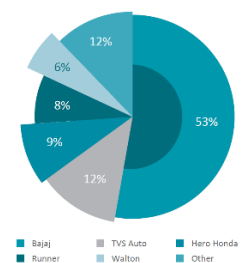

The '9th Dhaka Bike Show 2025' is therefore not only a networking ground but also a place to find business partners and strategic alliances for manufacturing, outsourcing, sub-contracting, design and development as well as direct marketing.

WHY BANGLADESH? FACTS & FIGURES

The motorcycle industry in Bangladesh is rapidly expanding, with over 20,000 motorcycles registered in just the first five months of 2022. This growth is fueled by a diverse array of nine firms, including Japanese, Indian, and Bangladeshi brands, making the country nearly self-sufficient in motorcycle manufacturing. Sales have surged by **35–40% year-on-year**, reaching approximately 647.40k by 2028, driven by factors like demographic advantages, increased purchasing power, and the popularity of ridesharing services. Government support, including the Motorcycle Industry Development Policy 2018 and reduced supplementary duties, further accelerates growth. Continued incentives and collaborations between international OEMs and local manufacturers promise to propel the industry to even greater heights in Bangladesh.
