7 Reasons to Participate in the 18th Dhaka Motor Show 2025

1. Dhaka Motor Show is the Oldest & Biggest of its kind serving the Automobile Industry of Bangladesh for almost two decades now and it has surely become an Int'l Expo to be recognized
2. The demand for both passenger and commercial vehicles is anticipated to rise quickly due to increasing economic activity and gradually rising per capita income
3. One of the most promising markets for the growth of four-wheel drive vehicles is Bangladesh. Since 2013, the number of registered cars has more than doubled, reaching over 26,000 for passenger cars and 37,000 for commercial cars (not including auto-rickshaws and human haulers) in 2019
4. The Automotive market size of Bangladesh was reported to be in between BDT 1,300 crore to BDT 1,400 crore last year with an annual growth rate of 10% to 12%
5. In the fiscal year 2021-22, the government slashed import tariffs on hybrid cars and microbuses depending on the engine capacity, enabling the sector to import an increased number of vehicles
6. By 2024, the yearly market demand is anticipated to surpass 100,000 automobiles. The auto segments with the fastest growth are SUVs and hybrid cars
7. Participate in 18th Dhaka Motor Show 2025. Meet and connect with the Top Car Manufacturers through the Expo

EVENT PROFILE

Being held for the last 17 years now, the `Dhaka Motor Show` stands firmly as one of the flagship events of CEMS-Global in Bangladesh and has become an icon of the country as the One & Only International Automotive Exhibition of Bangladesh. With the country growing a strong Middle-class segment, the rise in sales of Motor vehicles has surged to newer heights in Bangladesh, ignoring the rise in import taxes. Bangladesh is one of a strong South-Asian Nation with its growing economy and the `Dhaka Motor Show` has also been a platform all these years for the launching of latest Models of Hyundai, Mercedes, Range Rover, Mitsuoka, Toyota Prius, Mitsubishi and many others. The previous editions have seen great successes and an enormous rise in sales of new vehicles, with CEMS-Global's new strategies in 2025 in highlighting and strongly backing Vehicle distributors showcasing Cars / Commercial vehicles for the Middle / Upper-Middle class segment of the population and vehicles for Rural utilization, this exhibition will bring together all the important segments of the vehicle industry of Bangladesh.

`CEMS-Global USA` in association with `CEMS Bangladesh` presents once again the "18th Dhaka Motor Show 2025", scheduled to be held from 22 ~ 24 May 2025 which will be a focused showcase of the World automobile and auto component industry. As always, the `Dhaka Motor Show` will reveal to the country the rapid developments in the industry and will also be a launching pad for many new vehicles as well as new technology components.

The neat layouts of the show provide many opportunities to the consumers of vehicles to see the latest offerings in the market as well as to the business visitor to carry out networking in a highly enabled environment. The Motor Show is therefore not only a networking ground but also a place to find business partners and strategic alliances for manufacturing, outsourcing, sub-contracting, design, and development as well as direct marketing.

WHY BANGLADESH? FACTS & FIGURES

The Automotive market size of Bangladesh was reported to be in between **BDT 1,300 crore to BDT 1,400 crore** last year with an annual growth rate of 10% to 12%.

The demand for brand new cars is increasing as manufacturers are now offering new generation, highly efficient mobility solutions across different customer segments.

Across the globe, the private vehicle market is performing well. In the backdrop of emerging economies and the overall increasing purchasing power of people in developing nations, the market is projected to grow at 4.4% per year through to 2022. This expected growth can primarily be attributed to a stronger and more robust global economy and the increasing availability of budget-friendly models.
