ABOUT THE EXPO

In 2024, CEMS-Global launched its widely recognized 43rd Dye+Chem Sri Lanka Expo. The International 'Dye Chem Series of Exhibitions' have achieved an astonishing extent of popularity in Africa, South & South-East Asia as the only kind of series held in the sub-continent. Once again it was the most prestigious and exclusive International Exhibition devoted to focus on all kinds of Dyes and Fine & Specialty Chemicals for the Sri Lankan Industry and will be a one-stop single platform to showcase from home and abroad the latest developments and emerging technology for the Process Industry.

ABOUT THE EXPO

The “43rd Dye+Chem Sri Lanka Expo 2024” was the perfect meeting place to be held in Sri Lanka for Buyers and Suppliers of Dyes & Chemicals and also provided an interactive platform for Exhibitors to generate business through displays / direct interaction and enhanced the synergy effect and attract top level professionals from the Industry thus improving technology, focus and visitors of the expo. The Exhibition showcased products such as chemicals, Fertilizers, Fine Chemicals, Food Chemicals, Inorganic Chemicals, Laboratory chemicals, Oil Field, chemicals, Performance chemicals, Petrochemicals, etc.

ABOUT SRI LANKA

Sri Lanka's apparel export industry is one of the key sectors of the country's economy, having recorded substantial growth over the past four decades. The value of the sector reached \$5.42 billion after exports rose 22.93 percent year-on-year in 2021. The Country's Apparel Sector is targeting exports worth \$8 billion by 2025 through increased investment in local supply chains. The Apparel Manufacturing Sector of Sri Lanka is currently the country's leading export industry, accounting for approximately 44 percent of total Exports, and providing about 33 percent of the manufacturing employment in the country. Major investments in Sri Lanka are happening in the Textile & Garment sector. The apparel industry is a key sector that needs continuous upgrading and acquisition of new technology and equipment. The Apparel Manufacturing sector of Sri Lanka is currently the country's leading export industry, accounting for approximately 44 percent of total exports! "43rd Dye+Chem Sri Lanka Expo 2024" timed at the right moment with Sri Lanka further investing in setting up new Apparel factories and expanding their present capacities to match the fast-growing exports, will cater to the requirements of the ever-growing Textile Industry of Sri Lanka.
