7 Reasons to Participate

in the 8th Poultry & Livestock
Bangladesh Int’l Expo 2025

1. 8th Poultry & Livestock Bangladesh Expo 2025 is the Oldest & Biggest International Exhibition of its kind serving the Poultry, Livestock & Animal Husbandry Industry of Bangladesh for 8 years
2. Over the years, the demand for poultry products in Bangladesh has grown significantly; per capita consumption per year increased to 9.945 kg poultry meat and 5.96 kg (126 pieces) eggs in 2023
3. The achievement in the poultry sub-sector is more prominent as expected due to high rate of growth of the poultry population. According to a BPICC source, investment in poultry in the 80s was only BDT 1,500 crore, which has now reached BDT 39,000 crore
4. With its potential for export, Bangladesh is poised to become self-sufficient in chicken production in a short while, as the industry is expected to attract BDT 50 billion in investment over the next two years
5. Commercial poultry farms are growing at a rate of 15% a year, with investment in the sector expected to double in the next decade. It is estimated that today 1 million entrepreneurs and 8 million people commercially produce 10.22 billion eggs and 1.46 million tons of poultry meat annually
6. In FY 2022-23, the total amount of livestock in Bangladesh exceeded 44 crores. Due to this Bangladesh is now self-sufficient in meat production and can meet the population demand for 830 grams of meat per capita
7. Participate in 8th Poultry & Livestock Bangladesh Expo 2025. Meet and connect with potential buyers through the Expo

EVENT PROFILE

'CEMS Global' brings to you '8th POULTRY & LIVESTOCK BANGLADESH INTERNATIONAL EXPO 2025' scheduled to be held from 8 – 10 May 2025 will be glittering showcases of the Poultry, Dairy, Livestock & Aquaculture based products and service industry. Poultry is one of the most important sectors of agriculture in Bangladesh for maintaining the need of protein and nutrition. It was in 1995 that the poultry industry started in an organized manner in Bangladesh. In just two decades years the industry has seen exponential growth.

There are over a hundred thousand poultry farms, small and large, across the country. Alongside poultry, the fisheries and livestock sectors are two major pillars of Bangladesh's economy, and more than 10 million people directly depend on these sectors for their livelihoods. These sectors are important for food, nutrition, income, export earning, etc. '8th POULTRY & LIVESTOCK BANGLADESH INTERNATIONAL EXPO 2025' will reveal to the country, the rapid developments in the industry as well as the new technology components.

FACTS & FIGURES

Over the years, the demand for poultry products in Bangladesh has grown significantly; per capita consumption per year increased to 9.945 kg poultry meat and 5.96 kg (126 pieces) eggs in 2023. Bangladesh has a dense population which is why the consumption of poultry - mainly meat and eggs – has been increasing and is expected to increase to nearly 50% in just a few years! Bangladesh's poultry sector currently employs approximately 6 million people directly and indirectly in the country – making it one of the recognized and rapidly growing sectors of the Country. Poultry farms in Bangladesh have a 15% growth rate and in 2023, the total poultry population in Bangladesh was estimated to be in the region of 400 million birds involving around 70,000 commercial chicken grower farms throughout the country. In FY 2022-23, the total amount of livestock in Bangladesh exceeded 44 crores. Due to this Bangladesh is now self-sufficient in meat production and can meet the population demand for 830 grams of meat per capita.
