We are always paying attention to gathering the expectations of brands and of consumers in the constant quest for what’s exclusive and inspiring.

The **7th Denim Bangladesh 2025** will be a great avenue for drawing huge visitors from the ever-expanding Denim industry of Bangladesh. The 7th Denim Bangladesh 2025 will be a marketplace for denim business as well as presenting the latest fabrics and trends of this industry.

WHY BANGLADESH? FACTS & FIGURE

The export-oriented RMG sector in Bangladesh started as a small non-traditional export sector in the late 1970s. Within three decades, RMG has transformed itself into the **country’s highest revenue generating sector**, contributing more than 80 percent of Bangladesh’s total exports, making Bangladesh one of the largest garment exporters of the world. As textile & garment industry in Bangladesh continues expansion, the demand for advanced machinery and technology is on the rise. During last decade Bangladesh has imported textile & garment making **machineries worth of around 6.2 billion USD**. Bangladesh's overall imports grew by 14.20 percent in the first four months of the current fiscal year. Such a big amount of investment has been done in terms of capital machinery that in turns shows Bangladesh’s increasing capacity in producing textile & garments.
