## EVENT PROFILE

### International Exhibition on Power Generation & Transmission, Energy & Renewable Energy

With the great successes of CEMS-Global USA's 'Power Series of Exhibitions in South & South-East Asia, CEMS-Global, renowned as a multinational exhibition organizer with a history of bringing the best trade shows on important industry topics for over 26 years, organized the "27th Power Bangladesh 2025 Int'l Expo" in Dhaka. This Expo brought together all key stakeholders of Bangladesh's Power & Energy Industry under one roof and served as Bangladesh's premier international exhibition on Power Generation & Transmission, PV Power, Energy, and Renewable Energy. It gathered specialists from the Power Engineering Industry, along with leading manufacturers, distributors, and representatives from around the world.

In the dynamic marketplace of its time, the Expo provided an ideal opportunity to source products competitively, as the "27th Power Bangladesh 2025 Int'l Expo" allowed participants to explore and compare products from companies in the power and energy sector under one roof. It enabled attendees to secure profitable deals on a wide range of quality offerings.

## EVENT PROFILE

### Bangladesh's Premier International Exhibition On Solar Photovoltaic Power Generation

With the great successes of CEMS-Global USA's SOLAR series of Exhibitions in South & South-East Asia, CEMS-Global, known for its reputation as a multinational exhibition organizer, successfully held the '22nd SOLAR BANGLADESH 2025 INTERNATIONAL EXPO' in Dhaka. The event was Bangladesh's premier international exhibition on Photo Voltaic Solar Generation & Transmission, Solar Equipment, Energy, and Renewable Energy.

The exhibition brought together specialists from the Solar Engineering Industry, along with leading manufacturers, distributors, and representatives from around the world. With the ever-growing power and energy needs of Bangladesh, the '22nd SOLAR BANGLADESH 2025 INTERNATIONAL EXPO' served as the perfect B2B platform for the entire Solar & Energy Industry. It provided exhibitors a unique opportunity to establish business contacts, engage face-to-face, and interact directly with visiting trade delegations, industrialists, importers, distributors, and agencies. The event highlighted the rapid development of the industry sector in Bangladesh, where investments are on the rise due to new industrialization, further solidifying the country's position as an important business destination in South Asia.
