EVENT PROFILE

International Exhibition on Power Generation & Transmission, Energy & Renewable Energy

With the great successes of CEMS-Global USA's 'Power Series of Exhibitions in South & South-East Asia, CEMS-Global, renowned as a multinational exhibition organizer with a history of bringing the best trade shows on important industry topics for over 25 years, organized the "26th Power Bangladesh 2024 Int'l Expo" in Dhaka. This Expo brought together all key stakeholders of Bangladesh's Power & Energy Industry under one roof and served as Bangladesh's premier international exhibition on Power Generation & Transmission, PV Power, Energy, and Renewable Energy. It gathered specialists from the Power Engineering Industry, along with leading manufacturers, distributors, and representatives from around the world.

In the dynamic marketplace of its time, the Expo provided an ideal opportunity to source products competitively, as the "26th Power Bangladesh 2024 Int'l Expo" allowed participants to explore and compare products from companies in the power and energy sector under one roof. It enabled attendees to secure profitable deals on a wide range of quality offerings.

EXPO GLIMPSES

EVENT PROFILE

Bangladesh's Premier International Exhibition On Solar Photovoltaic Power Generation

With the great successes of CEMS-Global USA's SOLAR series of Exhibitions in South & South-East Asia, CEMS-Global, known for its reputation as a multinational exhibition organizer, successfully held the '21st SOLAR BANGLADESH 2024 INTERNATIONAL EXPO' in Dhaka. The event was Bangladesh's premier international exhibition on Photo Voltaic Solar Generation & Transmission, Solar Equipment, Energy, and Renewable Energy.

The exhibition brought together specialists from the Solar Engineering Industry, along with leading manufacturers, distributors, and representatives from around the world. With the ever-growing power and energy needs of Bangladesh, the '21st SOLAR BANGLADESH 2024 INTERNATIONAL EXPO' served as the perfect B2B platform for the entire Solar & Energy Industry. It provided exhibitors a unique opportunity to establish business contacts, engage face-to-face, and interact directly with visiting trade delegations, industrialists, importers, distributors, and agencies. The event highlighted the rapid development of the industry sector in Bangladesh, where investments are on the rise due to new industrialization, further solidifying the country's position as an important business destination in South Asia.

PRESS CONFERENCE

A press conference was held at the Dhaka Press Club for 26th Power Series of Exhibitions and Concurrent exhibitions focusing on Power Generation and Energy Transmission, Renewable Energy, Lighting and Smart Applications.

Ms. Meherun N. Islam, President and Group Managing Director of CEMS-Global USA and Asia-Pacific, presided over the event. Other attendees included Tanveer Qamrul Islam, Executive Director of CEMS-Global; Mahmud Riyad Hassan, DGM of Marketing and Sales; and Asrafur Islam, AGM of Business Development and Strategic Planning at CEMS Bangladesh.

The Power Series of Exhibitions including the 26th Power Bangladesh 2024 International Expo, the 21st Solar Bangladesh 2024 International Expo, the 6th Dhaka International Lighting Expo 2024, and the 6th Water Bangladesh International Expo 2024, took place from 14th to 16th November 2024 at the International Convention City Bashundhara - ICCB, Dhaka, Bangladesh. The exhibitions were open to business visitors upon registration every day from 10:30 am to 8:00 pm.

INAUGURATION CEREMONY

14th November 2024, marked the exciting kickoff of CEMS-Global USA's 3-day 29th edition of the Build Series of Exhibitions and the 26th edition of the Power Series of Exhibitions at the International Convention City Bashundhara - ICCB in Dhaka. These landmark International Exhibitions were dedicated to propelling Bangladesh's Building & Construction, Power & Energy, and Real Estate sectors, bringing together leading manufacturers, suppliers, innovators, Real Estate Developers, and stakeholders from these related industries. Present at the Opening Ceremony, along with the esteemed Exhibitors, were **Ms. Meherun N. Islam**, President & Group Managing Director of CEMS-Global, **S. S. Sarwar**, Group CEO of CEMS-Global, and **Tanveer Q. Islam**, Executive Director of CEMS-Global. These exhibitions successfully ran until **16th November 2024**.

SEMINARS

During the exhibition, a series of impactful seminars were hosted, creating an interactive space for knowledge-sharing and professional growth. These seminars focused on key topics related to business growth and technological advancements. The first session, organized by SCUBE Technologies Ltd Seminar on **Steps to Next Generation Energy, SOLAR & Powering The Nation Solarly.**

Seminar on **From Campus Ambassador to Leading Engineers** by Ulterior Engineering at the Power Series of Exhibitions - Bangladesh Edition 2024! Provided insight on the journey from being a campus ambassador to becoming a leading engineer unfolds at the Seminar. This event also provided valuable insights into professional development, leadership, and industry expertise in the engineering field.
