7 Reasons to Participate

in the 8th International Health Tourism & Services Expo Bangladesh 2025

1. Bangladesh has emerged as one of the major Medical Tourism based products and services exporting nations. The demand for Medical Tourism based products and services in the country has increased sharply in recent years
2. Around 700,000 Bangladeshis travel overseas for medical care each year and spend US\$ 3.5 billion
3. According to the Indian Tourism Ministry, Bangladesh was India's second-highest source of tourists between 2020 and 2024, accounting for 17.95% of all foreign visitors to the country and the number is rising each year. On an average 1,000 Bangladeshis go to India daily to take treatment
4. Both the public and private sectors are now working together. Strong government support and the private sector's development initiative are becoming the focus to establish this sector as the ideal health tourism destination
5. 8th International Health Tourism & Services Expo 2025 is a premier global showcase of Bangladesh's medical tourism industry, featuring specialists, products, and services catering to international healthcare needs

6. The International Health Tourism & Services Expo stands as Bangladesh's oldest, largest, and sole international exhibition dedicated to the medical tourism industry, having served as the premier platform for medical tourism-based products and services for the past seven years
7. Participate in the 8th Int'l Health Tourism & Services Expo 2025. Meet and connect with potential buyers through the Expo

EVENT PROFILE

A Perfect Exhibition for Medical Tourism Products & Services, in Bangladesh:

CEMS-Global brings to you “**8th International Health Tourism & Services Expo Bangladesh 2025**” scheduled to be held from **08 ~ 10 May 2025**, which will be a glittering showcase of the Medical Tourism based products and service industry in Bangladesh.

This is the only specialized B2C exhibition in Dhaka that brings international medical tourism specialists into direct contact with potential Bangladeshi patients. **The “8th International Health Tourism & Services Expo Bangladesh 2025”** will be a highly concentrated 3-day event designed to provide International suppliers with a professional and effective exhibition where they meet directly with a specific audience looking for medical treatment outside of Bangladesh.

Keeping this in view, CEMS Global USA is set to launch an exhibition “8th International Health Tourism & Services Expo Bangladesh 2025” displaying **all products & services from the Medical Tourism sector** through the participation of both local as well as global companies.

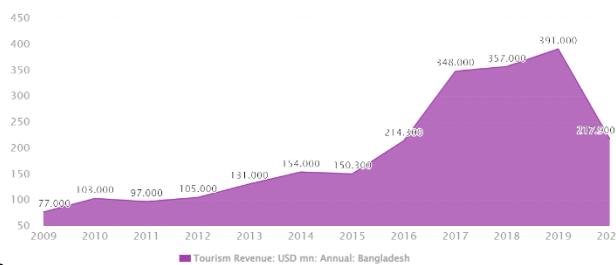

The “8th International Health Tourism & Services Expo Bangladesh 2025” will reveal to the country, the rapid developments in the industry as well as the new technology components. The neat layouts of the show will provide many opportunities to the consumers of the industry to see the latest offerings in the market as well as the business visitors to carry out networking in a highly enabled environment. The Medical Tourism-based products and service industry expo is therefore not only a networking ground but also **a place to find business partners and strategic alliances** for manufacturing, outsourcing, sub-contracting, design, and development as well as direct marketing.

IN FIGURES

Bangladesh has emerged as one of the major Medical Tourism based products and services exporting nations. The demand for Medical Tourism based products and services in the country has increased sharply in recent years.

Around 700,000 Bangladeshis travel overseas for medical care each year and spend US\$ 3.5 billion.

During the 2017-2021 period, Bangladesh was the second highest tourist-sourcing country for India with

15.75% of the total number of foreign nationals visiting India being Bangladeshis, according to the Indian tourism ministry.
