EVENT PROFILE

CEMS Global USA in association with CEMS Bangladesh organized the "8th International Health Tourism & Services Expo Bangladesh 2025" which was held from 8th to 10th May 2025 at the International Convention City, Bashundhara, Dhaka.

The event was designed to provide international and local pharmaceutical companies with a targeted and professional exhibition platform where they could engage directly with industry buyers, stakeholders, and healthcare professionals from Bangladesh and abroad.

It provided the opportunity for the exhibitors to promote their pharmaceutical innovations, manufacturing capabilities, and healthcare services while making strategic connections with potential partners and buyers.

Over 300 exhibitors from 15 countries participated in the exhibition, serving as a key platform for manufacturers and suppliers to present their pharmaceutical products, packaging solutions, APIs, laboratory equipment, and related healthcare services.

The exhibition brought together agents, distributors, importers, procurement professionals, healthcare institutions, hospital representatives, research organizations, academic bodies, regulatory officials, and industry experts under one roof.

It successfully facilitated new business collaborations, technology exchanges, and partnerships while empowering the advancement of Bangladesh's pharmaceutical and healthcare industry.
