7 Reasons to Participate in the 10th Bangladesh Clinical Lab Expo 2026

1. The 10th Bangladesh Clinical Lab Expo 2026 is a significant international exhibition that will showcase the country's rapidly developing clinical lab industry and act as a one-stop Platform to showcase the most recent developments and innovative technologies from both local and foreign suppliers
2. Serving Bangladesh's clinical lab sector and adjacent industries for the past ten years, the Bangladesh Clinical Lab Expo is the oldest international exhibition of its kind
3. Currently, the medical device and equipment business is in its early stages, with 85 percent of devices coming from imports. With a compound annual growth rate (CAGR) of 13%, the size of the Bangladesh market was anticipated to be worth USD 442 million in June 2020 and is projected to reach over USD 820 million in 2025
4. Based on data from Bangladesh Bank, the opening of LCs to import raw materials for the pharmaceutical industry climbed by 14% to \$636.26 million year over year between July and January of the current fiscal year
5. The Bangladeshi government is actively promoting API manufacture through a range of export and tax breaks. In order to decrease reliance on imports to 80% by 2032 and to attract investment of USD 1 billion in API manufacturing, the government developed the API Policy in 2018. By 2032, the

initiative also seeks to increase API export revenue and generate 500,000 new employment. Additionally, a new API Park has been created

6. Bangladesh Clinical Lab Expo features exhibitors who showcase their products, services, and solutions. You can have hands-on experience with new laboratory equipment, software, and technologies
7. Participate in the 10th Bangladesh Clinical Lab Expo 2026. Meet and connect with potential buyers through the Expo
