EVENT PROFILE

CEMS-Global USA in association with CEMS Bangladesh successfully organized the 9th edition of the Bangladesh Clinical Lab Expo 2025, held concurrently with the 16th Meditex Bangladesh International Expo 2025, the 8th International Health Tourism and Services Expo Bangladesh 2025, and the 11th Pharma Bangladesh 2025. The exhibition was held from 8th to 10th May 2025 at the International Convention City Bashundhara (ICCB), Dhaka, Bangladesh.

The event was the premier and most prestigious & exclusive international exhibition devoted to focusing on the ever-growing Clinical Lab sector of Bangladesh.

This exhibition served as a one-stop, single platform to showcase the latest developments and emerging technology in the industry from both local and international participants.

Being the only show of its kind in Bangladesh, the “9th Bangladesh Clinical Lab Expo 2025” provided exhibitors with the perfect opportunity to showcase new products or services to a vast audience, introduced their innovations, and educate attendees on their offerings.

The “9th Bangladesh Clinical Lab Expo 2025” was a great B2B platform and a key meeting place for buyers and sellers of clinical laboratory products, healthcare solutions, and related services.

This expo significantly enhanced the synergy effect and attracted top-level professionals from across the industry, thus boosting technological advancement, sectoral focus, and overall visitor engagement at the expo.

This exhibition played a crucial role for Bangladesh and its Clinical Lab Industry as a whole, offering an industry-specific showcase of experimental products, laboratory equipment, solutions, and services from leading companies around the globe.
