7 Reasons to Participate in the 5th Food Pack Expo 2025

- 1) 5th Food Pack Expo 2025 is a Comprehensive International Expo that provides a venue for showcasing contemporary packaging technologies.
- 2) The Food Pack Expo stands as Bangladesh's premier international exhibition, dominating the landscape of eco-friendly food packaging and cutting-edge related technologies for the past 4 years.
- 3) Bangladesh has been making significant progress in the manufacturing and export of plastic packaging.
- 4) The target stated by the Plastic Industry Development Policy 2023 is to grow the market for plastics and packaging from its current size of approximately \$4 billion to \$10 billion by 2028.
- 5) The government is creating economic zones, industrial parks, and specialized manufacturing clusters where plastic package producers can set up their operations.
- 6) Because of growing urbanization, increasing health consciousness, and rising disposable incomes, there was already a progressive increase in the demand for packaged consumer products. Thus, this will be a fantastic chance for business owners and entrepreneurs to present their goods to a large consumer base.
- 7) Participate in the 5th Food Pack Expo 2025. Meet and connect with potential buyers through the Expo.
