'CEMS-Global' having a reputation as a Multinational Exhibition organizer and bringing the best trade shows on the most important Industry topics for over 30 years. Recently CEMS-Global organized the '7<sup>th</sup> FOOD BANGLADESH INTERNATIONAL EXPO' which was a glittering showcase of the Food based products and service. The Exhibition was a perfect platform for Manufacturers & Suppliers to present their food products and food related services by assembling agents, distributors, importers, trading companies, wholesalers, retailers, hotels, business representatives restaurants, of course the consumers and other bulk purchasers from worldwide.

**Bangladesh's food industry is a rapidly growing sector that employs a significant portion of the labor force. Between 2004 and 2010, the country's food processing industry grew at an average yearly rate of 7.7 percent. As reported by the Bangladesh Bureau of Statistics, in its 25006 Economic Census, there were approximately 246 medium-sized food processing industries, employing 19 percent of the country's industrial manufacturing workforce. In 2010, the food industry's share of the GDP was 2.01 percent. Numerous small-scale factories and domestic units engaged in food processing are also present throughout the nation. In 2010, Bangladesh exported over \$700 million worth of processed food and beverages, accounting for over 60% of the nation's total labor force.**
