## EVENT PROFILE

After the successes of the previous 15 editions, the “16th Meditex Bangladesh 2025” – Bangladesh’s biggest and only International Exhibition on Medical Equipment, Surgical Instruments, Healthcare, Hospital Equipment & Supplies which was held from 8th to 10th May 2025 at the International Convention City Bashundhara (ICCB), Dhaka, Bangladesh.

It served as a one-stop platform to showcase, both from home and abroad, the latest developments and emerging technologies for the country’s medical and hospital sector.

The “16th Meditex Bangladesh 2025” was the biggest meeting place ever held in Bangladesh for Buyers and Suppliers of Medical, Surgical, Healthcare, Hospital Equipment, Pharmaceutical Products and also provided an interactive platform for Exhibitors to generate business through displays and direct interaction.

As the population growth rate is 1.02% and only Bangladesh contains 2.18% of the total population in the world which is more than 171 million people with the density of approx. 1,350 people living per square kilometer seeking better medical services every day, therefore Bangladesh has big opportunities for various medical sectors healthcare companies and professionals.

This exhibition was very crucial for Bangladesh and its Healthcare Industry as a whole as it offers an Industry specific showcase of Hospital, Pharmaceutical & Medical Equipment, Healthcare products, solutions and services from leading companies from across the globe.
