

POST SHOW REPORT

20th SOLAR BANGLADESH INT'L EXPO 2023

International Convention City Bashundhara, Dhaka, Bangladesh

20TH **SOLAR**
BANGLADESH - 2023

With the great successes of CEMS-Global USA's 'SOLAR series of Exhibitions' in South & South-East Asia, CEMS-Global, having a reputation as a Multinational Exhibition is once again organized the '20th SOLAR BANGLADESH INTERNATIONAL EXPO 2023' in Dhaka as a premier International exhibition in Bangladesh on Photo Voltaic Solar Generation & Transmission, Solar Equipment, Energy and Renewable Energy. This will bring together specialists engaging in the Solar Engineering Industry, leading Manufacturers and Distributors / Representatives from all over the world to Bangladesh

With the ever-growing power & energy needs of Bangladesh, '20th SOLAR BANGLADESH INTERNATIONAL EXPO 2023' was the perfect B2B platform for the entire Solar & Energy Industry. It provided the Exhibitors a not-to-be-missed opportunity to further establish business contacts and get face-to-face and interact directly with the visiting Trade Delegations, Industrialists, Importers, Distributors, Agencies in a rapidly developing Industry sector where investments are now on a rise with new Industrialization, making Bangladesh a very important Business destination in South Asia, one of the fastest growing economies in the region with a progressive economy has grown at an annual rate of around 6%

A blurred background image showing a worker in a blue hard hat and safety vest working on a large array of solar panels under a clear blue sky.

Solar power systems are contributing a huge amount of energy and changing the current energy requirements, especially in rural areas of Bangladesh. Bangladesh is currently generating around 560 MW of electricity from renewables, which is just 2.95% of total power generation. Future plan is to generate 2000 MW of power, 10% of the total within two years. The government of Bangladesh has shown a strong commitment to attract private sector investments and provide an investment-friendly environment by providing various tax and other incentives. Currently, a total of 559.80 MW of power is generated from renewable energy, of which a whopping 325.82 MW, or 52.8%, comes from solar power. The World Bank has approved \$185 million to add up to 310 Megawatt (MW) in renewable energy generation capacity in Bangladesh and mobilize private sector participation to meet the growing demand for electricity in the country

INAUGURATION CEREMONY & EVENT GLIMPSE

CEMS-Global USA and CEMS Bangladesh's comprehensive biggest B2B exhibitions for the entire infrastructure Development Industry of Bangladesh at ICCB Dhaka. The Exhibitions were inaugurated by Mr. Md. Anisur Rahman Miah, BPAA - Chairman (Secretary), of Rajdhani Unnayan Katripakkha (RAJUK). Ms. Meherun N. Islam, President & Group Managing Director of CEMS-Global USA & Asia-Pacific was the host of the Ceremony.

Special guests present were Mr. Md. Abdur Rahim Khan - Additional Secretary (Export), Export Wing of Ministry of Commerce; Mr. Mohammad Hossain - Director General, Power Cell, Power Division of the Ministry of Power, Energy and Mineral Resources; Dr. Md. Mizanur Rahman; Deputy Managing Director (RP & D) of Dhaka WASA and Mr. Syed Ershad Ahmed - President, American Chamber Of Commerce In Bangladesh (AmCham).
